

## Net Vet Weekly - August 31, 2020

### COVID-19 News

The Veterinary Medical Hospital is now accepting appointments for non-emergency cases. Curbside admission and discharge protocols, social distancing and proper PPE remain in place.

Online CE is available. For a list of all courses available, the cost, and where to register visit [Online Professional Development](#).

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

### Dr. Joshua Butcher

A year after he joined the veterinary college, we checked in with **Dr. Joshua Butcher** to see how things were going. Find out what he and his team are working on at [COVID Presents Challenges to New Faculty](#).

### Dehorning Cattle

**Dr. Rosslyn Biggs**, continuing education director and beef cattle extension specialist, shares protocols for developing and implementing a dehorning plan for cattle in [Veterinary Practices for Dehorning Cattle](#).

### We're Growing!

The Department of Veterinary Clinical Sciences is building a robust Small Animal Emergency and Critical Care Service. We are seeking a second enthusiastic emergency small animal clinician. Interested parties can read more at [join our team in emergency and critical care](#).

### House Officer Seminar

There is no seminar scheduled on Thursday, Sept. 3.

### Rural Vet Practice and Beef Sustainability Webinar

The next free webinar in the Rural Veterinary Practice and Beef Sustainability Series airs Thursday, Sept. 3, on Zoom from 6 p.m. to 7 p.m.

**Dr. Rosslyn Biggs**, beef cattle extension specialist and director of continuing education, and **Dr. John Gilliam**, associate clinical professor, will present "Integrated Beef Cattle Program for Veterinarians Project Launch."

This series has been approved for CE by the Oklahoma and Texas Boards of

## Congratulations Jim Hargrave!

Congratulations to **Jim Hargrave**, facilities manager, on his retirement. Jim served the veterinary college for 29 years under five different deans. Best wishes from all of us for a happy retirement.

Pictured above (left to right) are Jim's sister Melanie, wife June, Jim, sister Marla, and sister and brother-in-law Janine and Joey.

## Getting to Know You

**Li-Jen Chang, BVM, Ph.D., MS**, is a lecturer in anesthesia in the Department of Veterinary Clinical Sciences. Originally from Taiwan, Dr. Chang earned a BVM and MVM from the National Chung Hsing University in Taiwan. He is also a certified veterinary acupuncturist from the Chi Institute in the U.S. His research interests include anesthesia and analgesia in wildlife and zoo animals and the application of traditional Chinese medicine in veterinary

Veterinary Medical Examiners. To register in advance and receive the link, visit [Rural Vet Practice and Beef Webinar](#).

## Fall Conference

With the ongoing pandemic, Fall Conference will be virtual. Participate from the comfort of your home or office on Wednesday - Friday, Nov. 4 - 6, 2020. Registration will open tomorrow, Sept. 1. Current OSU veterinary students, staff and faculty do not need to register as a separate link will be sent to you later. Read more at [Fall Conference 2020](#).

## Getting to Know You

**Dale Kelley, DVM, Ph.D.**, is an assistant professor of theriogenology in the Department of Veterinary Clinical Sciences. Originally from Raleigh, North Carolina, he earned his DVM degree and Ph.D. from the University of Florida. Dr. Kelley's research interests include understanding equine reproductive physiology and studying causes and treatments of infertility in the mare and stallion.

In his spare time, Dale enjoys canoeing, hiking and mountain biking.

medicine, in particular in anesthesia and analgesia such as acupuncture anesthesia.

In his spare time, LI-Jen enjoys cooking and playing with his cats.

## Editor's Note

The next issue of *Net Vet Weekly* will be published on Tuesday, Sept. 8, 2020. Have a safe Labor Day Holiday!
