Subramanian Attends Entrepreneurship Academy

Madhan Subramanian, BvSc, Ph.D., recently participated in the University of California Davis National Veterinary Entrepreneurship Academy. The four-day virtual event focused on showing researchers how to think differently when it comes to their work. Read the full story at Subramanian Learns to "Think Again."

Welcome Class of 2025!

We are excited to welcome the Class of 2025. The 106 new students will participate in orientation Aug. 10-12. The Induction Ceremony will be held on Friday, Aug. 13, at 10 a.m. in the McKnight Center. For those who cannot attend in person, you can watch the live stream at https://ostate.tv/playlist/0_ccwxiq0r.

Cattle Processing Tips

If you or one of your clients are processing cattle, Dr. Rosslyn Biggs offers some tricks and tips to improve the accuracy of records, increase efficiency, and enhance the safety and experience for team members and cattle. Read more at Cattle Processing Day Tips.

Roger J. Panciera Education Center Dedication

The formal dedication of the Roger J. Panciera Education Center and tribute to its honoree, the late Dr. Roger Panciera, will be held on Friday, Aug. 13, at 2:30 p.m. For those who cannot attend in person, you can watch the live stream of the dedication ceremony at https://ostate.tv/playlist/0_ccwxiq0r.

Getting to Know You

Getting to Know You
Anthony "Bo" Barillo, DVM, is a small animal surgery intern. Originally from Charleston, South Carolina, he earned his DVM degree from the University of Georgia. Dr. Barillo's research interests include canine elbow dysplasia and wound healing.

In his spare time, Bo enjoys anything outside and training his black lab, Lily.

Favorite Quote: "Nothing in this world can take the place of persistence." - Calvin Coolidge

Grace Chung, DVM, is a zoological medicine intern. Originally from Shrewsbury, Massachusetts, she earned her DVM degree from the Royal Veterinary College in London, U.K. Dr. Chung’s research interests include analgesia and anesthesia in exotic patients and reptile medicine in general.

Grace is obsessed with dachshunds and lame dad jokes. In her spare time, she enjoys cooking mostly Korean food, baking, and binge watching TV shows.

Favorite Quote: "When a flower doesn't bloom, you fix the environment in which it grows, not the flower."
