

## Net Vet Weekly - September 14, 2020

### COVID-19 News

The Veterinary Medical Hospital is now accepting appointments for non-emergency cases. Curbside admission and discharge protocols, social distancing and proper PPE remain in place.

Online CE is available. For a list of all courses available, the cost, and where to register visit [Online Professional Development](#).

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

### Using Focused Ultrasound to Treat Cancer in Pets

**Dr. Martin Furr** is seeing the benefits of using high intensity focused ultrasound to treat cancer in his cat, **Rhino**. Read the full story and watch a short video at [Using HIFU to Treat Cancer](#).

### Take the Survey

Veterinarians, cattle producers and veterinary students are encouraged to take the Integrated Beef Cattle Program for Veterinarians Survey before Oct. 1, 2020. The data collected will help drive the next steps of the Integrated Beef Cattle

### We're Growing!

The Department of Veterinary Clinical Sciences is building a robust Small Animal Emergency and Critical Care Service. We are seeking a second enthusiastic emergency small animal clinician. Interested parties can read more at [join our team in emergency and critical care](#).

We are also adding a second house officer in the Zoological Medicine Service. We have an open internship position through July 2021. Interested parties can read more at [Zoological Medicine Intern](#).

### House Officer Seminar

**Kelsey Jurek, DVM**, will present "Abdominal Hernias" on Thursday, Sept. 17, at 8 a.m. in Room 002C at the Veterinary Medical Hospital. Dr. Jurek is an equine surgery resident mentored by **Dr. Mike Schoonover**. The recorded lecture will be available on Moodle in the course VBSC 6710.

### Rural Vet Practice and Beef Sustainability Webinar

The last free webinar in the Rural Veterinary Practice and Beef Sustainability Series airs Thursday,

Program for Veterinarians. Please take a moment now to take the survey at [Integrated Beef Cattle Program Survey](#).

## Asian Longhorned Tick

The Asian longhorned tick presents several challenges to livestock owners. Reported in 14 states, it has yet to reach Oklahoma. **Dr. Rosslyn Biggs** shares more information about this species at [Asian Longhorned Tick](#).

## Ranchers Thursday Lunchtime Series

Listen in as **Dr. Rosslyn Biggs**, beef cattle extension specialist and continuing education director, introduces the Ranchers Thursday Lunchtime Series starting Sept. 17 through Oct. 8. She'll tell you what topic is up first at [Ranchers Thursday Lunchtime Series](#).

Sept. 17, on Zoom from 6 p.m. to 7 p.m.

**Dr. Sara Place**, technical consultant with Elanco Animal Health, will present "Beef Sustainability."

This series has been approved for CE by the Oklahoma and Texas Boards of Veterinary Medical Examiners. To register in advance and receive the link, visit [Rural Vet Practice and Beef Webinar](#).

## Fall Conference

With the ongoing pandemic, Fall Conference will be virtual. Participate from the comfort of your home or office Wednesday - Friday, Nov. 4 - 6, 2020. Register now at [Fall Conference 2020](#). Current OSU veterinary students, staff and faculty do not need to register as a separate link will be sent to you later.
