Therio Team Plays Vital Role in the ICSI Foals

Kudos to the veterinary center's theriogenology team for helping **Alan** and **Teri Dufur** use a special conception procedure for their mare that resulted in two foals.

One of the procedures offered by our therio team is transvaginal aspiration of oocytes from mare ovaries. After obtaining the mare's oocytes, we partnered with a lab that performed intracytoplasmic sperm injection or ICSI. Check out the results in [The ICSI Foals](#).

Congratulations, Dr. Dee Griffin!

Dee Griffin, DVM, MS, has been named the Mentor of the Year by Merck Animal Health and the American Association of Bovine Practitioners. He earned his DVM degree from OSU in 1975 and has gone on to have a tremendous career impacting veterinary medicine, improving the beef industry, and inspiring the next generation of veterinarians. Dr. Bob Smith Honored

Congratulations to **Dr. Bob Smith**, retired CVHS faculty member, on receiving the 2017 Zoetis AABP Distinguished Service Award! This award recognizes Smith's long standing commitment to bovine practitioners and his service to bovine agriculture through organized veterinary medicine. See more at [Smith Honored](#).

Dr. Tims Presents in Malta

Rebecca Tims, DVM ('14), recently presented an abstract entitled, "White Coat Effect in Client-Owned Dogs as Assessed by High Definition Oscillometry" at the European College of Veterinary Internal Medicine - Companion Animals Congress, which was held in the city of St. Julians, a popular tourist spot on the coast of Malta.

Co-authors on the project are: **Dr. Ryan Baumwart**, **Dr. Andrew Hanzlicek**, and **Mark Payton**. Tims is a senior resident in small animal internal medicine mentored by **Dr. Laura Nafe**.

House Officer Seminar

Clay Hallman, DVM, will present "Contrast Ultrasonography" on Thursday, Sept. 28, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Hallman is a digital imaging resident mentored by **Dr. Corey Wall**.

Homecoming Parade

Join the veterinary center community as we celebrate "Herald Your Fame" at the Sea of Orange Homecoming Parade on Saturday, Oct. 14.

The center's 1953 Museum on Wheels leads us piloted by **Dr. Robert Bahr ('70)** followed by the 6th Annual Scottie Brigade and Pete's Pet Posse. Faculty, students, staff and friends with or without animals are welcome to participate.

All animals are welcome on a leash or halter and must be current on vaccinations.

To register your interest in participating, please contact **Sharon Worrell** at (405) 744-5630 or sworrel@okstate.edu.

Watch for parade staging information as it becomes available.
