Research Advisory Committee Meeting

The Research Advisory Committee on Gulf War Veterans' Illnesses will meet on Tuesday, Sept. 28, from 12 p.m. to 1:30 p.m. (ET) to present research recommendations to the Secretary of Veterans Affairs, Denis McDonough.

According to committee member Dr. Carey Pope, Regents Professor and Sitlington Chair in Toxicology, recommendations will focus on key areas of research including possible connections with long COVID-19, understanding related war-time exposures and more.

The meeting is open to the public via online broadcast. People can watch and listen at Recommendations for Gulf War Veterans:

- Meeting number (access code): 199 425 2064
- Password: GWVets1990!
- Toll-free number: 1-833-558-0712

House Officer Seminar

Evan Crisman, VMD, MMP, will present "Horsing Around: Clinical Equine Behavior" on Thursday, Sept. 30, at 8 a.m. in Room 002C at the

Fall Conference News

Friday, Nov. 5, we will honor Distinguished Alumni Award recipients from 2021 and 2020 [Drs. Alvin Baumwart ('77), Rocky Bigbie ('81), Donnie Gardner ('70), Craig Jones ('89), Herbert Justus ('56) and George Renison ('88)] at 11:30 a.m. at Meditations, located west of Stillwater. Advance tickets are required and can be purchased at Distinguished Alumni Award Luncheon.

Friday evening at 6:30 p.m., also at Meditations, the Corral Crawl will celebrate reunion classes ending in years 0 and 5 and 1 and 6. Advance tickets are required and can be purchased at Corral Crawl.

The conference kicks off Saturday morning, Nov. 6, at 8 a.m. in Wes Watkins Center with the Class of 1963 Distinguished Lectureship featuring Joseph Annelli, DVM, MS, founder and leader of the One Health Coordination Center and active with the World Health Organization, followed by Jennifer Rudd, DVM, Ph.D., DACVM, assistant professor in the Department of Veterinary Pathobiology.

The Exhibit Hall is open Saturday only and space is first come, first serve. Exhibitor registration is now open at
Veterinary Medical Teaching Hospital. Dr. Crisman is an equine internal medicine resident mentored by Dr. Lyndi Gilliam. The recorded lecture will be available on Moodle in the course VBSC 6710.
