

Net Vet Weekly - September 28, 2020

COVID-19 News

The Veterinary Medical Hospital is now accepting appointments for non-emergency cases. Curbside admission and discharge protocols, social distancing and proper PPE remain in place.

Online CE is available. For a list of all courses available, the cost, and where to register visit [Online Professional Development](#).

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

Jeyasingh Receives Graduate Fellowship

Congratulations to **Samuel Jeyasingh** on receiving an OSU Foundation Distinguished Graduate Fellowship!

We're Growing!

The Department of Veterinary Clinical Sciences is building a robust Small Animal Emergency and Critical Care Service. We are seeking a second enthusiastic emergency small animal clinician. Interested parties can read more at [join our team in emergency and critical care](#).

We are also adding a second house officer in the Zoological Medicine Service. We have an open internship position through July 2021. Interested parties can read more at [Zoological Medicine Intern](#).

House Officer Seminar

There is no House Officer Seminar scheduled for Thursday, Oct. 1.

Ranchers Thursday Lunchtime Series

Join our free series on cattle health this Thursday, Oct. 1, at 12:30 p.m. **Dr. Meredyth Jones** will present "Bovine Lameness: We Will Not Be De-feet-ed." To register and receive the link, please visit [Ranchers Thursday Lunchtime Series](#).

Free Equine Castration Clinic

Awarded by the OSU Foundation and the Graduate College, this fellowship provides \$2,500 toward Sam's educational expenses during the 2020-21 academic year. The Distinguished Graduate Fellowship can also be renewed for up to two additional years pending satisfactory academic progress.

Sam is a Ph.D. candidate and graduate research assistant in the Department of Physiological Sciences. He works in **Dr. Lin Liu's** lab where his research focuses on the regulation of influenza A virus infection by Long Non-coding RNAs.

Sam was part of the COVID-19 response team at OADDL and currently serves as the president of the Graduate and Professional Student Government Association.

Hardware Disease

While you may have heard about Hardware Disease in cattle, many misunderstandings exist about this syndrome. **Dr. Meredyth Jones** discusses how it occurs, some signs to watch for and more. Read the full article at [Diagnosing Hardware Disease](#).

We will host a free equine castration clinic on Friday, Oct. 2, from 11 a.m. to 5 p.m. at the large animal clinic. Space is limited. For details and to register now, visit [Free Equine Castration Clinic](#).

Take the Survey

Veterinarians, cattle producers and veterinary students are encouraged to take the Integrated Beef Cattle Program for Veterinarians Survey before Oct. 15, 2020.

The data collected will help drive the next steps of the Integrated Beef Cattle Program for Veterinarians.

Please take a moment now to take the survey at [Integrated Beef Cattle Program Survey](#).

Fall Conference

With the ongoing pandemic, Fall Conference will be virtual. Participate from the comfort of your home or office Wednesday - Friday, Nov. 4 - 6, 2020. Register now at [Fall Conference 2020](#).

Current OSU veterinary students, staff and faculty do not need to register as a separate link will be sent to you later.
