

Net Vet Weekly - September 30, 2019

Honoring Dr. Panciera

The new classroom building will be named the **Roger J. Panciera Education Center** in honor of the late **Dr. Roger Panciera**, Professor Emeritus and world renowned veterinary pathologist.

For the full story, including information on how you can honor Dr. Panciera, read [Roger J. Panciera Education Center](#).

Dr. Clary Lectures in Nebraska

Dr. Erik Clary, associate professor of surgery and bioethics, presented two invited lectures at the University of Nebraska-Lincoln.

Clary spoke to faculty sharing "On Ethics and the Question of Animal Usage - Ideas Have Consequences." He then presented "Serving Milo - The Puppy Born with Upside Down Paws" to pre-veterinary students. For the full story, read [Veterinarian who reversed the paws on Milo the Puppy](#).

Video Chat with Dr. Temple Grandin

Veterinary students, faculty and clinicians will have the opportunity to video chat with **Dr. Temple Grandin** on Tuesday, Oct. 1, in Room 101 McElroy Hall Auditorium beginning at 6:30 p.m. For full details, read [Chat with Dr. Temple Grandin](#).

House Officer Seminar

Kristen Clark, DVM, will present "Urine Luck! Minimally Invasive Urinary Procedures" on Thursday, Oct. 3, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Dr. Clark is a small animal internal medicine resident mentored by **Dr. Andrew Hanzlicek**.

Dr. Pope to Aid Veterans

Dr. Carey Pope, Regents Professor of Toxicology, serves on the Department of Veterans Affairs Research Advisory Committee on Gulf War Veterans' Illnesses. He will be attending a public meeting on October 3 and 4 in the San Francisco Bay area to discuss a number of ongoing projects and future research directions for Gulf War illnesses.

This committee provides advice and makes recommendations to the

Getting to Know You

Sunil More, BVSc & AH, MVSc, PhD, DACVP, is an assistant professor of anatomic pathology in the veterinary pathobiology department. Originally from Nashik, India, he earned his BVSc and AH degree in veterinary medicine and his master's degree in veterinary sciences from the Nagpur Veterinary College and his PhD in veterinary biomedical sciences from OSU. Dr. More completed an anatomic pathology residency at the University of Florida and is a diplomate of the American College of Veterinary Pathologists. His research interests include respiratory diseases, influenza virus and host factors, and animal models development.

Coming from a country where football is played with feet and not hands, Sunil prides himself in having a 7 percent chance that he knows more about football than most people. In his spare time, he enjoys watching and playing different sports.

Favorite Quote: "Water is life!"

Register for Fall Conference

Secretary of Veterans Affairs on proposed research studies, plans, and strategies related to understanding and treating the health consequences of military service in the Southwest Asia theater of operations during the 1990 - 1991 Gulf War.

Wag & Walk

Join the **OSU Foundation** and the **College of Veterinary Medicine** for a Wag & Walk at the Botanic Garden on Monday, Oct. 7, from 4 p.m. to 5:30 p.m. All ages are welcome. Enjoy a scavenger hunt and remember to bring your furry friends.

Getting to Know You

Mayara Fernanda Maggioli, DVM, MS, PhD, is a research scientist in the veterinary pathobiology department. Originally from Goiania, Goias in Brazil, she earned her DVM degree and MS degree in veterinary medicine from the Federal University of Goias and a PhD in immunobiology from Iowa State University. Dr. Maggioli's research interests include the study of protective host immune responses to viral and bacterial pathogens to promote rational vaccine design and animal health.

Online registration is open for **Fall Conference**, which will be held on Thursday and Friday, Nov. 14 and 15, at Wes Watkins Center on the OSU Stillwater campus. For the best rates, register by Tuesday, Oct. 1, at [Fall Conference](#).

In her spare time, Mayara enjoys taking long walks, playing with her dog, baking, and most of all spending time with her husband and daughter.
