

Ektate and Poudel Tie for Award

Congratulations to **Kalyani Ektate** (below left) and **Nabin Poudel** (below right) on being named co-recipients of the People's Choice Award in the recent 3 Minute Thesis Competition.

You can listen to their award winning presentations at [People's Choice Award](#).

We Won #Member Madness!

The veterinary center is proud to announce that we won the OSU Alumni Association's Member Madness! Thank you to all Vet Med alumni who joined the OSU Alumni Association to put us on top! Watch [#MemberMadness](#).

Getting to Know You

Garrison Gold is an administrative assistant to the dean. Originally from Henryetta, Okla., he earned a bachelors in Secondary Education: Social Studies

House Officer Seminar

Jennifer Halleran, DVM, will present "Passive Transfer in Ruminant Neonates" on Tuesday, April 4, at 8 a.m. in Room 104 at the Veterinary Medical Hospital.

Halleran is a food animal medicine and surgery resident mentored by **Dr. Melanie Boileau**.

OCRID Research Retreat

The Oklahoma Center for Respiratory and Infectious Diseases will host the 4th Annual Research Retreat on Tuesday, April 4. The event will be held at the ConocoPhillips OSU Alumni Center from 8:30 a.m. to 5 p.m. In addition to guest speakers, OCRID investigator presentations will be made and cash prizes awarded for the poster competition. Special thanks to this year's sponsors - Oklahoma State University, University of Oklahoma and Oklahoma Medical Research Foundation.

Phi Zeta Research Day

Phi Zeta Research Day will be on Thursday, April 6, at the Veterinary Medical Hospital. Case presentations will be made in Room 104 and research presentations will be made in the Faculty Conference Room located in the hospital basement.

A keynote speaker will launch the day's activities at 8:05 a.m. in Room 104. The 2016 Zoetis Research Award recipient, **Dr. Michael Davis**, will present "At the Intersection between Basic Science and Clinical Practice: The Story of One Veterinary Clinician-Scientist."

Please take a moment to hear the amazing research and clinical case workups being conducted by veterinary students, graduate students, post-docs, interns and residents.

Dogs of Lincoln

The Dogs of Lincoln is a unique program that brings together dogs from the Humane Society of Stillwater and students at Lincoln Alternative Academy thanks to the efforts of a team of OSU veterinary students who volunteer for this program. Learn more about

from OSU. He is currently pursuing a masters in Counseling at OSU and wants to work with abuse victims in the future.

the program and watch a short video at [Dogs of Lincoln](#).

Garrison played the bagpipes in high school and in his spare time now he enjoys board games, hiking and powerlifting.
